

Scene 4: Our Generation

Naethan Apollo

Yes! Yes! That's what I'm talking about, baby! Gimme some! Don't leave me hanging! [*high-fives*] Yes, dude! And if anybody's gonna do it, it's gonna be our generation, I truly believe that! The kind of people we got in our squad alone is insane! You, me, Tyler, Genesis, Spencer, I mean, just to name a few! There's no doubt in my mind that we are the type of people to do what we gotta do to finally end this war! And I think we'll do it! I-

[Apollo:] What's so funny?

Ah, I just love the enthusiasm. But please remember to be wary.

Ah, what, Cap? You don't think we can do it?

Now, I never said that. As a matter of fact, me and my squad would say the same thing when we were recruits, and I do think this generation of fighters is truly the best we've seen.

[Apollo:] That's what I'm saying!

But just remember that no matter how hard you push, the enemy will always push back.
