Yeah, she got me addicted

Yeah, she got me addicted
Shawty love her red bottoms
We both came up from the bottom
Swervin' jokers like Gotham (Like Gotham)
We hit up the crib, ayy (Ayy)
She get drunk where I live
Afterparty, you'll be coming to my place
Baby, you know what it is, yeah
She got me addicted
Oh yeah, you got me addicted, yeah
She got me addicted
Oh yeah, you got me addicted, yeah
She poppin' that p*ssy on me while I'm smokin'
She got me addicted
Now she be working
She got me alone at the crib, I'm addicted, yeah

Yeah, you know what the deal is
We can keep the business confidential
Shawty, I know you like keeping secrets, yeah
We keep em guessing, ayy
Don't know what the deal is
But it's fine, fine, fine, fine
Ayy, you one of a kind, kind, kind
No need to break it down, girl that body fine, I'ma take her down, yeah
No need to wait around, f*ck you like I'm famous make you stay around, yeah
Looking at you from a distance
I can tell you were the business
I can tell you be the one
I couldn't tell I'd be addicted
I could tell that we could roll one
I could tell that we could kick it
We hit the condo for a hour
And I just show you how I'm livin' yeah
I could tell you be the one
I could tell that I done run up the ones, yeah
You know shawty number one
Ayy, I put it on you till you cum

Yeah, she got me addicted

Yo, Don

I got this nigga coming five times

He ain't gon' leave, he in the zone

He ain't even checked the time line

This nookie got him talking to me in code

He don't f*ck with them hoes, no, no, them bitches broke

All they do every weekend is turn up in raves and take niggas home

But you see I, I, I, I

He know that I'm different, he know that I'm different

He know I stand up just like them Simpsons

He know that, he know that, he know that I, I, I, I, I

He know that I hit it right

He know that I take him higher than high

Airplanes, all up in yo' bed

Body on my body while I'm touching on your chest

Make love to my mind, baby boy, tek time

Kiss me on my breast, tell me that you're mine, you're mine

He fell in love with The Don, the first time he seen her in trap (Seen her in trap)

He knew that she was the one cah The Don didn't run for the gang

Clean, pretty

Ice on , in me

We went Libertine, you made me feel like I'm sixteen

Yeah, she got me addicted
