Nafe Smallz

(Ayy, Lucid, turn that shit up)
Smokin' through the pain
High when I'm on cameras, still adjustin' to that—
Tryna find your love and time, been goin' down—

Smokin' through the pain (Smokin' through the pain)
High when I'm on cameras, still adjustin' to that fame (Adjustin' to that fame)
Tryna find your love and time, been goin' down the drain (Goin' down the drain)
