

Beep

Nafe Smallz

(Quincy Tellem)
(Gwappa Baby)
And she moan
Oh, oh
And she moan
Oh, oh

Deuce in the Range, make it beep, beep-beep
In [?] with the gang for the cheap, bleep-bleep
Broke a boo, now my name twenty G's AP
And the list not gonna end, what she do for me, for me
Sneak peek (Sneak peek)
I'm in a Audi, it's a two-seat (Two-seat)
I'm drivin' one hand, got my other hand on coochie
She moan like she moan (She moan)

Yeah
Two duffles on me, Monclizzy, them goggles on me
I rock her just like a baby, she suckle on me
I'm cookin' flick on the oven, don't burn up my B
I'm swervin', I'm in the foreign, I'm steppin' on G
In Venice, she geeked, she comin' with me
She fuckin' on me, she freaky, she swallow or eat
She bubble, I make a bubble, I'm stuck in between
My demons they tryna judge and I'm tryna redeem (Yeah, yeah, yeah)

We double them drinks, she came for the ride
My moon on the rise, tell her I be takin' my time (Mmm)
I came with a lick, but don't play with your life (Mmm)
She came for the pipe, she end up stayin' the night (Yeah, yeah, yeah)
Ooh-ooh, this shit up and stuck (Gone)
I'm doin' my zoot and my double cup
Lil' mama cute, but she thick as fuck
Money to the roof, still can't get enough
I'll tell you the truth, I can't get enough (I can't get enough)
We just makin' movies in the crib (Fuck a cinema)
Park it up, she bussin' all on my interior
Everywhere we go, they my face look familiar (Yeah)
