Nafe Smallz

Yeah, yeah  
(Ocho, ocho)  
Grrrow  
Yeah, yeah  
(We lost in the silence now)  
Go, woo

We lost in the silence now (Gone)  
Me, I been creepin', she found me out (Woo)  
Broken her heart then I rhyme about it (Rhyme)  
I can't deny what my life about (Let's go)  
Throw on that shit, got me stylin' now (Jhee)  
Break up, then make up and fly her out (Woo)  
Still got them kilos inside the house (Yuh)  
Still got the reload inclinin', wonderful timin', still keepin' slime around  
(Jhee)  
Blindin' that bitch with them diamonds, ain't gotta show me, I know how you  
like it, fuck  
I keep impeccable timing, fuck (That's right)  
You on the way to the island (Nyoom), give me the reason, you know I'm slidi  
n' (Skrtrt)  
Keep it discreet, I keep you in silence (That's right)  
Mindin' my millions, my millions I'm mindin' (Uh)  
Show me the real and I'll show you my heart

I had a feelin' 'bout you from the start  
Babe, mani and pedi just you in that lingerie

Don't want this money, boy, stay in the streets  
I need repentance, I pray on my knees, God, oh please forgive me, yeah (Plea

She nervous 'round so many bosses  
These blessings how I deal with my losses (That's right)  
We smokin' on dope with no problems (Smoke)  
My city needs savin' like Gotham (Gone)

We lost in the silence now  
Me, I been creepin', she found me out  
Broken her heart then I rhyme about it

Throw on that shit, got me stylin' now (Woo)  
Break up, then make up and fly her out (Go)

We indy and rich and the boss of the others, we bangin', we're not 'bout no colours (Yuh)  
Will you show respect for the come-up and fixin' the game, I'm a plumber  
I'm slidin' back in her and this time it ain't got no rubber  
I'm kickin' the walls of her stomach (That's right)  
Show me your [?], show me your [?], show me that shit that I wanna see  
Kickin' some wannabes, Mama she proud of me, I made it happen from nothin'  
We flyin' in winter and summer, this just the beginning [?]

We lost in the silence now  
Me, I been creepin', she found me out (Woo)  
Broken her heart then I rhyme about it  
I can't deny what my life about (Let's go)  
Throw on that shit, got me stylin' now (Jhee)  
Break up, then make up and fly her out (Woo)  
Still got them kilos inside the house (Yuh)  
Still got the reload inclinin', wonderful timin', still keepin' slime around (Jhee)

You on the way to the island (Nyoom), give me the reason, you know I'm slidin' (Skrtrt)
