She wanna have fun in a cute little thong  
I let her slide by lates, on a drive by one (Drive by)  
We barely made it to the room, it's a dub  
Mornin' sun, still tryna have fun (Let's go)  
Work in a minute, still got no clothes on  
I'ma slide by later on a drive by one

See her miss call, course I call back, how you mean?  
Spin your Dialcom tune to your frequency  
Frequently, I bring out the freak in you  
You're my Sade, you give me the sweetest taboo  
I'm to blasé, maybe I can show some more interest (Yeah)  
I'm sure I missed you in person, sorry, I mistext  
Nice from the back, but you nice on your back  
Plus, you love it in my room, it's the size of a flat  
On top, where you at? Ooh, I'm under attack  
I'm pushin', you pullin', tug of war, give me that, yeah  
Sweet, sweet like the strings on a tune (Let's go)
