

LANDSLIDE

Nafe Smallz

(Go, go, go, go)
Up the score by a landslide
I'm from North Manny, nuff gang signs like
(Go, go, go, go)
Shawty said she's on her period
I might put it all in her backside

I've had trap money
Had rap money
Had labels on me
Had cats on me
Them pussyholes ain't got chat for me
Talk on my name but that's blasphemy
Been top 5 for like 6 years
Young OG, I'm still 23
Just can't keep me out your chicks ears
She don't love you she's still belling me (Lil' b-)
Got it locked from North to the South
Shawty said she's on her period
I might put it all in her mouth
I just made some more Queen Liz
I might put it all in a house
She sucked me off and then filmed it
A bitch done it all for the clout

Woke up and I milly rocked
But before the milly's man been a boss
Jewellery on in this Hellcat
I don't sell crack, I got bigger rocks
Quarter spent on some cool shit
Got a new crib with a cinema
Shawtys titties ain't too big
But that booty's from Dominica

(Go, go, go, go)
Yeah, up the score by a landslide
I'm from North Manny nuff gang signs like
(Go, go, go, go)
Shawty said she's on her period
I might put it all in her backside

[illegible]

Sweet
Sweet
Sweet
Sweet

Weed come from LA, she from the Middle East
We don't hit the party, we just hit the suite
I book out the floor, the party comes to me

Glass stones
She can see that I'm on, yeah
Sloppy dome
In the back of the rolls
Yeah, yeah
Fuck a phone
Sell the bricks out my home
Light this blunt
N' shit I'm back in the zone
Pour a litre
Double up styrofoam
Coliseum
She landing in Rome
Weed 'n' alcohol, I'm gone
Back to the hills
Yeah, honey I'm home

(Go, go, go, go)
Up the score by a landslide
I'm from North Manny, nuff gang signs like
(Go, go, go, go)
Shawty said she's on her period
I might put it all in her backside
