

Now I Know

Nafe Smallz

Now I know, now I know
Now I know, now I know know know know
Now I know, now I know
At least now I know
Now I know, now I know

Now that I know
I'm back on the move, I'm back on the go
I had to let go
Sippin this drink I handle my smokes
Way out of control
All of the drama I'm back in the zone
You mad at me though
You mad I never let it get the better of me
Hows it sound to ya?
I'm still around for ya
And even when nobodies down for ya
I stayed down for ya
And I be stickin to my word like I was stickin to the curb
It's all a gift and a curse
Wonder who would come first and who will end up in a hurst
I put my life down on a verse
I cruise in my own lane
I come up of cocaine
I came in the long way
Don't know about your way
We trapped out the hallways
Winter nights so cold cold cold
You know I came up through the zone
Could've done this on my own
All these times on a low

Now that I know
Now that I know
Now that I know
Now that I know
Oh now that I know
At least now I know yeah
At least now I know
At least now I

I see them doubtin on the kid
But I be handlin my biz
You know I'm never givin up
You know I'm never givin in
I know this how I wanna live
This shit ain't mid
I park a lambo on the strip
Just to tell her that I did
It's just my niggas could've been in

Now that I know
Now that I know
I gotta fuck her when she all in the zone
She call up the phone
Its 3 in the morning 3 in the morn
These side tings wan fuck

I gotta tell them gotta go
Now that I know
Call me when you gotta let go
She said on the phone
You never know how it's gonna go down down down
I'm the type to stick around
I'm the type to hold you down
The only type to hold you down yeah
Now that I know
Now that I know
Now that I know yeah yeah
At least now I know yeah
At least now I know
At least now I know
At least now I know
I been a part of the road
Spent so long on the road
Duckin divin from the popo
Duckin divin from the popo
Did it solo
Did it all on my fuckin own
Tell her link up with the zone
We had the switcher switchin roads
We had the switcher switchin roads
Now the police can't touch us
Money be legit

I'm in the studio
And then I'm back up on the roads

Bring it down on the low
Swear that's all I know
Said that's all I know
I swear that's all I know uh
