Plan Tonight

Nafe Smallz

What's the plan tonight?
Yeah, I can tell you'll be 'round tonight
I be coolin' with the gang tonight
I can see my tongue down by your panty line
And I'm thinkin' 'bout "Where am I gonna hang tonight?," ooh
I be thinkin' that you can be mine
Blow a little cash of mine
In this crazy little life of mine
What's the plan tonight?
Yeah, I can tell you'll be 'round tonight
I be coolin' with the gang tonight
I can see my tongue down by your panty line
And I'm thinkin' 'bout "Where am I gonna hang tonight?," ooh
I be thinkin' that you can be mine
Blow a little cash of mine
In this crazy little life of mine

Check your girl in advance, she catchin' a glance
If she wanna fuck with a star, I'm never too far
Get it poppin' on a car like Formula 1
And if them niggas wan' war, then we ready for war, yeah
Guns fly over this side
Sons ride over this side
I got my .9 over this side
On the glide over this side
It's nuttin' nice over this side
I can't wait to sit down and talk for a minute
You know where I've been on tour for a minute
Open up your door and I'm in it
You know I've been on form when I hit it
I can't wait to put this phone down for a minute
Step outside, I gotta work right with it
I be with the bang bros and the realest, ah
I get it and I'm gone for a minute

What's the plan tonight?
Yeah, I can tell you'll be 'round tonight
I be coolin' with the gang tonight
I can see my tongue down by your panty line
And I'm thinkin' 'bout "Where am I gonna hang tonight?," ooh
I be thinkin' that you can be mine
Blow a little cash of mine
In this crazy little life of mine
What's the plan tonight?

I'll tell you what the plan tonight is
How about you come to my crib?
I show you how I live and what I do daily
You can show me how you sit and make a move, baby
Can you tip toe for me?
Sip slow, lick pole, flip notes for me?
Hit notes for big boats and sit slow for me?
Put you in the iciest and live cold for me?
Let's do what they say we can't do
You're nothing that I can't handle

What's the plan tonight?
