

Sand To The Beach

Nafe Smallz

Yeah, I hop in that coupe and I heat up them leather seats
When I'm slidin', I'm twenty deep
I got killers and dargs with me and they pedigree
Niggas sip on that Henny neat
She been tryna fuck with me, but I never jeet
'Cah I got way too many freaks
Tryna fly out to Marbs with me, send a TENA brief
Can't bring sand onto the beach (Yeah)
I hop in that coupe and I heat up them leather seats
When I'm slidin', I'm twenty deep
I got killers and dargs with me and they pedigree
Niggas sip on that Henny neat
She been tryna fuck with me, but I never jeet
'Cah I got way too many freaks
Tryna fly out to Marbs with me, send a TENA brief

On a two stroke, pull up, we don't spray the air (That right)
