

Bearly Thoughts (Interlude)

Nahko and Medicine for the People

Oh my God, what a crazy day!
Through Lassen National Park
Through Tahoe today
First time in Tahoe, absolutely beautiful
Stopped in, finally got to Reno
Gosh, went out to the Hot Springs in Sierraville
I've been all over today and yesterday
My body's very tired
From coffee
From marijuana
And the week has only mere begun
This life, I'll tell you what
Crazy
You only live once, you only live once!
Live it up
Yeah, I'm out
