

## The Vow (Interlude)

**Nahko and Medicine for the People**

My head has been spinning all day  
And I want it to stop  
Therefore  
I will  
Spend time with beautiful people  
Listen and play beautiful music  
Drink and smoke beautiful... things  
And inspire myself  
With  
Beautiful thoughts  
Yeah  
It's amazing  
Aloha
