

Haiku

Nai Palm

Haiku (Haiku)

Haiku (Haiku)

All the ways I love
The sages that move mountains
I must bask in awe

Haiku, haiku
Haiku

When the day is short
Soft as lamb's-ear, the bees work (Work)
While like minds part ways

Haiku, haiku
Haiku, haiku

Oh, inside, I would die
Wave after wave after wave
Within you, all life
