

Alienate You I

Nails

Let down and alone
Betrayed and exposed
Shutdown, I can't take it any more
Walls built, locked door

Alienate you

I don't want your fucking acceptance
I won't take part in your ignorance
I hide from a world rejected
I'm not sorry if I'm not what you expected

Alienate you

I hate myself more than you hate me
I hurt myself more than you hurt me
I hate myself
I hate myself
I hate myself now

I won't listen to what they say
I won't listen to what they say
I won't listen to what they say
I wish I wasn't this way
