

## Disorder

## Nails

Despise, disgust, disguised, mistrust  
No peace in a paranoid mind  
Day in, day out, self doubt, drop out  
Eyes open, living blind

No disorder  
No disorder  
No

Fooled once, fucked twice  
Rope hurts, cut ties  
Beat up, broke down  
Succumb to the demise

No disorder  
No disorder  
No

Embrace the pain - it never ends

No  
No disorder  
No disorder
