

I Can't Turn It Off

Nails

I've been told that I'm a terrible person
A piece of shit, there is no one who is worse than
The truth is you didn't get what you wanted
Tell all your friends you hate me - I won't try to stop it

It's not my problem at all
I don't want it to stop
While everything got soft
I can't turn it off

I won't justify, I won't apologize
I did it my way and I could never compromise
Point your finger play the victim say I'm so fucked up
Say you can do it too, but no one's seen you get it done

It's not my problem at all
I don't want it to stop
While everyone got soft
I won't turn it off
I can't turn it off

I did what I did
It is what it is

I won't turn it off
I can't turn it off now

I won't turn it off
I won't turn it off
I can't turn it off
