Denis

Najoua Belyzel

Denis,
Tell me what's in your head,
I want to know what's going wrong,
I need to understand.

You treat me bad,
You drag me down, down,
Darling, you behave like a creep
I want your love right now.

Return to me, don't let me down,
I need you by my side.
My love for you is strong enough,
To never say good-bye.

'Cause Denis you're the one who touched my heart,
Who touched my soul,
But I don't want to let you go,
Away from me, I'll miss you so,
That's why I don't want you to go,
Denis, don't go, Denis.

Denis, you know you better stop.
The little pills you used to take,
Before you go insane,
And because I know you're just a man,
I'll forgive you if you're lying, so promise me again.
Return to me, don't let me down.
I need you by my side,
My love for you is strong enough to never say good-bye.

'Cause Denis you're the one who touched my heart,
Who touched my soul,
But I don't want to let you go,
Away from me, I'll miss you so,
That's why I don't want you to go,
Denis, don't go, Denis.

Denis, don't go, Denis.

Listen to me,

'Cause Denis you're the one who touched my heart,
Who touched my soul,
But I don't want to let you go,
Away from me, I'll miss you so,
That's why I don't want you to go,
Denis, don't go, Denis.

Denis, don't go, Denis.

Denis, Denis, Denis, Denis, Denis,
Denis, Denis, Denis, Denis, Denis,
Denis, Denis, Denis, Denis, Denis,
Denis, Denis, Denis, Denis, Denis,
Denis, Denis, Denis, Denis, Denis,
Denis, Denis, Denis, Denis, Denis,
