

Gold Note

Najwajean

Since the gold note exploded in my head
I can make the stars turn around me
But I can't make you love me
But I can't make you love me

Night and thunder
I'll make you Wonder
What I want is the Super Hombre

I know a secret I won't tell
for if I tell I go to hell
I know a secret I won't tell
for if I tell I go to hell

I know who has given the waves
Your melody
I know your game is my desire
I know your flame could burn my fire

Since the gold note exploded in my head
I can make the stars turn around me

Night and thunder
I'll make you Wonder
What I want is the Super Hombre

I know a secret I won't tell
for if I tell I go to hell
I know a secret I won't tell
for if I tell I go to hell

I know a secret I won't tell
for if I tell I go to hell
(I know your game)
I know a secret I won't tell
for if I tell I go to hell
(I know your game)
I know a secret I won't tell
for if I tell I go to hell
(leave me)
