

Run

Nana Darkman

the strong move quiet so i'm tippin' on my toes
dodgin' all these blows i am followin' my nose
i've been to hell and back nigga anything goes
from benetton clothes to skeleton shows
my limit is the sky and my vision en vogue
ya limit is a try and ya vision's on hold
my mission undercover like an halloween ghost
the first black james bond call me double o
i know what you want
and i know what you need

Run Run Run
Run Brother Run
Run Run Run Please Run
Run Run Run
Run Sister Run
Run Run Run Please Run

we've got mics everywhere in every single phone
i know the end of the story before finished told
i can look through the wall
while ya sittin' on ya bathroom massagin' ya balls
i am recordin' ya moves
i know what ya hate what ya like and what ya choose
i could walk in ya shoes

Run Run Run
Run Brother Run
Run Run Run Please Run
Run Run Run
Run Sister Run
Run Run Run Please Run

i got ya on cam everytime you leave the house
when you beef with your spouse i can sort it out
i got the codes to ya city
ya can choose between euros dollars or cedis
multiply my identity
why should i stop there is no one tellin' me
and i am a lawless entity

so it's a black suit
in the dark
and if i don't smile
ya still in the dark
my secrets are top notch

Run Run Run
Run Brother Run
Run Run Run Please Run
Run Run Run
Run Sister Run
Run Run Run Please Run
