## **Autumn Leaves**

## Nana Mouskouri

Autumn leaves fall and are swept out of sight The words that you said have gone too Autumn leaves fall and are swept out of sight So are the memories of love that we knew

The wind of forgetfulness blows then Into the night of regret, The song you would often sing Is echoing, echoing yet

The falling leaves drift by the window The autumn leaves of red and gold I see your lips, the summer kisses The sun-burned hands I used to hold

Since you went away, the days grow long And soon, I'll hear old winter's song But I'll miss you most of all, my darling, When autumn leaves start to fall When autumn leaves start to fall
