Just yesterday mornin' they let me know you were gone Or the plans they made put an end to you I walked out this morning and I wrote down this song I just can't remember who to send it to

I've seen fire and I've seen rain
I seen sunny days that I thought would never end
I seen lonely times when I could not find a friend
But I always thought I'd see you again

Won't you look down upon me Jesus You've got to help me make a stand Just got to see me through another day My body's aching and my time is at hand And I can't make it any other way

I've seen fire and I've seen rain
I seen sunny days that I thought would never end
I seen lonely times when I could not find a friend
But I always thought I'd see you again

Been walkin' my mind to an easy time, my back turned toward the sun

Lord knows when the cold wind blows it'll turn your head around Well, there's hours of time on the telephone line to talk about things to come

Sweet dreams and flying machines in pieces on the ground

I've seen fire and I've seen rain
I seen sunny days that I thought would never end
I seen lonely times when I could not find a friend
But I always thought I'd see you again

But I always thought I'd see you again But I always thought I'd see you again
