

# I'll Remember You

Nana Mouskouri

I'll remember you  
When I've forgotten all the rest  
You to me were true  
You to me were the best

When there is no more  
You can do the core  
Quicker than anyone I knew  
When I'm all alone  
In the great unknown  
I'll remember you

I'll remember you  
At the end of the trail  
I have so much left to do  
I have so little time to fail

There's some people that you don't forget  
Even though you wanna see them  
One time or two  
When the roses fade  
And I'm in the shade  
I'll remember you

Didn't I, didn't I try to love you?  
Didn't I, didn't I try to care?  
Didn't I sleep, didn't I weep beside you  
With the wind blowing in your hair?

I'll remember you  
When the wind blows in the pile of wood  
It was you who came right through  
It was you who understood

Though I'd never say  
When I'm gone away  
That you don't love me too  
In the end, my dear sweet friend  
I'll remember you

Though I'd never say  
When I'm gone away  
That you don't love me too  
In the end, my dear sweet friend  
I'll, I'll remember you
