

That's My Desire

Nana Mouskouri

To spend one night with you
In our old rendezvous
And reminisce with you
That's my desire

To meet where gypsies play
Down in that dim cafe
And dance till break of day
That's my desire

We'll sip a little glass of wine
I'll gaze into your eyes divine
I'll feel the touch of your lips
Pressing on mine

To hear you whisper low
Just when it's time to go
Cheri, je t'aime tant
That's my desire

We'll sip a little glass of wine
I'll gaze into your eyes divine
I'll feel the touch of your lips
Pressing on mine

To hear you whisper low
Just when it's time to go
Cheri, je t'aime tant
That's my desire
