

Waiting

Nana Mouskouri

The clouds have cornered my life again
The horizon has blinded my sight again
And I know I must be strong
Carrying on alone

Whenever my dreams have stormed till morning
You were there an angel, a blessing
No, I cannot see your smile
And I'm defenseless like a child

And I've been waiting
And I've been crying
And I've been loving
Loving you

You were the one I wanted to live for
You were my life, how could I ever ask for more
Still my mind went on believing
That you never could be leaving

And I've been waiting
And I've been crying
And I've been loving
Loving you

And I've been waiting
And I've been crying
And I've been loving
Loving
Loving you
