

# I'll Move Along

Nanci Griffith

This flesh and bone ain't much protection  
For an honest heart like mine  
A broken home for good intentions  
Damaged inventions of my design

Chorus:

I'll move along (time to move along)  
I'll move along (time to move along)

Bridge:

I'm slow to move these feet of clay  
You passed me by now you're in my way  
I take my change at my own damn pace  
I'll move along one day

Chorus:

I'll move along (time to move along) (come on let's go)  
I'll move along (time to move along) (come on let's go)

I don't say much I was born to listen  
Tell me now, did I hear you wrong?  
This was love not the inquisition  
It was my decision we should move along

Chorus:

Bridge:

You passed me by now you're in my way  
I'll move along one day

Chorus:

(repeat)
