

# This Heart

Nanci Griffith

This heart was almost taken  
This heart had a love of its own  
This heart was reawakened  
When you came along  
This heart was born feet runnin'  
This heart saw your porch light on  
This heart hit the sidewalk wonderin'  
Why you left it on

(chorus)

This heart was stranded in the winter  
Was stuck out in a blizzard in it's summer clothes  
This heart knows  
When the love comes  
And when it goes

This heart hears the telephone ringin'  
This heart's gonna let it go  
'Cuz this heart knows the bells she's hearin'  
Aren't the telephone  
This heart has heard your laughter  
This heart has learned how to smile  
This heart'll be your true believer  
If you'll stay awhile

(repeat chorus)

(bridge)

This heart... This heart... This heart  
This heart... This heart... This heart  
(repeat chorus)

This heart was almost taken  
This heart was born feet runnin'  
This heart hears the telephone ringin'  
Gonna let it go  
This heart... This heart... This heart  
This heart... This heart... This heart  
This heart... This heart... This heart
