

## Friendship Train

Nancy Sinatra

You've been hurt and I've been hurt  
Now we're living pain  
Take my hand and ride with me  
On the friendship train  
We'll go some little place  
And wait for the end  
There I hold and comfort you  
And love you like a friend

I'll love you like a friend  
When you cry I'll lie and say  
You're not feeling like yourself today  
I'll love you like a friend  
When you're blue  
I'll do anything and everything you want me to  
I'll do for you

And I'll do for you  
You've been down and I've been down  
Down I guess we'll stay  
Love was just another word  
We taught someone to say  
So let's ride the friendship train  
Who knows we might win  
But win or lose, I'll stay with you  
Love you like a friend

I'll love you like a friend  
When you cry I'll lie and say  
You're not feeling like yourself today  
I'll love you like a friend  
When you're blue  
I'll do anything and everything you want me to  
I'll do for you

And I'll do for you  
And I'll do for you  
And I'll do for you  
And I'll do for you  
I'll do for you
