

# Got It Together Again

Nancy Sinatra

Been out doing what we had to do  
Now we got it together again  
Been out doing what we had to do  
Now we got it together again  
(Whatcha been doing?)

I've been out working for girl named Sue  
Oh, I've been doing what my dad told me to  
You better

Been out doing what we had to do  
Now we got it together again  
Been out doing what we had to do  
Now we got it together again  
Been out doing what we had to do  
Now we got it together again  
(Guess what?)

I've been doing good, and I've been mean  
And I've been looking for a coke machine

Been out doing what we had to do  
Now we got it together again  
Been out doing what we had to do  
Now we got it together again

Well it's uh, it's about  
Well folks it about the end of the album time  
It's wish time, you've been such a good girl on the album and everything else  
and sang all the songs and didn't throw many rocks or anything like that and  
you get some wishes, you want some wishes?  
Mmhmm  
What do you want wishes?  
I wish you'd tune your guitar  
Uh well, next album  
Next album?  
Yeah  
Okay, then I wish I wish um we can do another album  
That's not a bad wish, I wish that whoever it is up there in a big guitar  
land in the sky would give Howdy Doody back to the people, I miss Howdy  
I do too, I remember him  
Sing a little bit for me  
It's Howdy Doody time (oh yeah)  
It's Howdy Doody time (That's good, I like Howdy Doody)  
You know what I wish?  
I wish that um that we'd quit getting so old  
(Tsk, tsk, tsk) Well we're the oldest, no I won't even say it  
(Teeny boppers?) Yeah (In the world?)  
Mmhmm ('72?)  
72? (Yeah)  
No that's the next album (No if you add us together)  
How old are you? (What?)  
How old are you? (Well the time this is out I'll be 42)  
42? (Right)  
And I'm 30 (Right, that's 72 any way you add that up)  
I think that's awful, it's good (It's good, what to be, what any other wishes?)

Wishes? Um, babies (You want some babies)  
Mmhmm you have two right? (Yeah I have two)  
I want some (Babies? I've got two giants)  
Yeah Mark and Debbie (Pretty giants)  
Yeah pretty pretty (And uh any other)  
Um I wish everybody would be quiet and nice (And don't through rocks)  
Yeah (Don't shoot guns)  
Right? (And come home safe)  
Right (Cause we miss you)  
Yeah

(Nancy? Are we through) Mmhmm  
(Can I go back to Sweden?) Oh alright partner bye
