

In the Sky

Nanowar of Steel

Fire in the sky
Firefighters in the sky
To extinguish the fire in the sky

Air in the sky
Apple in the sky
Chasing Steve Jobs in the sky

Lucy in the sky,
John Lennon in the sky
George Harrison is also in the sky!

Ride and fly high, high, high, high
Very very high, in the sky!
The ladder in the sky
Is better than the stairway to heaven
Forever and ever in the sky!

Clouds in the sky
Bad weather in the sky
Umbrella shields the rain from the sky

Sun in the sky
Moon in the sky
The whole solar system in the sky
HAARP in the sky
Chem trails in the sky
The sky is conspiring in the sky
Ride and fly high, high, high, high
Very very high, in the sky!
To be in the sky
Is better than not to be in the sky
Forever and ever in the sky!
In the sky
Sky
Sky...

Ride and fly high, high, high, high
Very very high, in the sky!
The ladder in the sky
Is better than the stairway to heaven
Forever and ever in the sky!

Ride and fly high, high, high, high
Very very high, in the sky!
The ladder in the sky
Is better than the stairway to heaven
Forever and ever in the sky!
