

# Amazing Grace

Nao

Satellite, satellite  
I think I hear a message from you  
Kill the lights, kill the lights  
Hoping there's a way it gets through  
Been saying sorry all this time  
Am I forgiven in this life?  
Waiting for you, waiting for you

To save me from falling  
Losing my way  
Nobody claim me  
I might just stay here  
Till I hear the sound of  
Rain on my face  
I'm dreaming you'll save me  
From falling from grace  
Amazing grace

How precious is a wretch like me!  
Was blind but didn't care to see  
Now everybody clap their hands  
I'm rejoicing on another land  
Now my church is the wild  
Think I'm gon' plant all my seeds here  
I hope that they blossom 'cause I'm ready to be here  
And float down from oblivion  
I'm coming down, coming down from

Falling  
(From) Losing my way  
Nobody claim me  
I might just stay here  
Till I hear the sound of  
Rain on my face  
I'm dreaming you'll save me  
From falling from grace  
Amazing grace

Falling in between  
Real life, hard knocks, broken dreams  
I've been, I've been here before  
But I get up stronger the more I fall  
Little steps, lesson learnt, see the truth  
White light, forgiveness waiting for you  
I've been, I've been here before  
I'm not afraid, I'm not afraid of

Falling  
Losing my way  
Nobody claim me  
I know it's safe here  
How sweet the sound is!  
Rain on my face  
I'm ready to save me  
From falling from grace  
Amazing grace
