

## Better Friend

Nao

I hope you call, I hope we laugh  
I hope it's love, and I hope we land  
I hope you've been good  
I hope you've been good  
I hope you fly like ever since  
I hope you're blessed and you never sink  
I hope you win good

I promise that I'll be a better friend  
To ya, to ya next time when you come back  
To ya, to ya next time, to ya  
I promise that I'll be a better friend  
To ya, to ya next time when you come back  
To ya, to ya next time  
I'll be a better  
I'll be a better friend

(Oh, I  
Oh, I  
Oh, I  
Oh, I)

I hope you grow, I hope you're reigning  
I hope they wake up 'cause you wanted saving  
I hope you let go  
I hope you come home  
I know depression can keep you guessing  
I hope you choose life 'cause your life's a blessing  
I know you'll win good

I promise that I'll be a better friend  
To ya, to ya next time when you come back  
To ya, to ya next time, to ya  
I promise that I'll be a better friend  
To ya, to ya next time when you come back  
To ya, to ya next time  
I'll be a better  
I'll be a better friend

I'm not tryna save you  
Don't need to fly  
With or without me  
I wish you more life  
Go get it, get it, yeah  
Take it, take it, yeah, yeah  
We gon' be alright  
See you, see you, see you next time

(Oh, I  
Oh, I  
Oh, I  
Oh, I)

I promise that I'll be a better friend  
To ya, to ya next time when you come back  
To ya, to ya next time, to ya  
I promise that I'll be a better friend

To ya, to ya next time when you come back  
To ya, to ya next time  
I'll be a better  
I'll be a better friend

To ya, to ya next time when  
To ya, to ya next time, to ya
