

# God Problems

Naomi Raine

If you got a God-size problem  
He can solve 'em  
Yeah

There's just some problems only God can fix  
If there'll be some moments that just don't make sense  
I've seen it happen time and time again  
There's just some problems only God can fix

There's just some battles flesh and blood can't win  
There'll be some moments that just don't make sense  
I can't see it now, but I'm still convinced  
There's just problems only God can fix

Not by power, not by might  
But by the Spirit of the living, Spirit of the living God  
Not my battle, not my fight  
But by the Spirit of the living, Spirit of the living God

The spirit taking care of that problem  
He's taking care of that problem

I've seen a breakthrough that I can't explain  
I found a healing hidden in my pain  
I know a dead man that once robbed the grave  
I've seen some breakthroughs, and I will again

Not by power, not by might  
Come on!  
But by the Spirit of the living, Spirit of the living God  
Spirit of the living  
Not my battle, not my fight  
It's not my fight  
By the  
By the Spirit of the living, Spirit of the living God  
By the  
By the Spirit of the living, Spirit of the living God

My fortress, my refuge, still a strong tower, still a strong tower  
My helper, defender, still a strong tower, still a strong tower  
Oh-oh-oh-oh  
Someone let the people know anything is possible  
No weapon will prosper, still a strong tower, still a strong tower  
You got it, come on!

My fortress, my refuge, still a strong tower, still a strong tower  
He is, He is  
Helper  
My helper, defender, still a strong tower, still a strong tower  
He is  
Oh-oh-oh-oh  
Someone let the Devil know, tell him that he's gotta go  
No weapon will prosper, still a strong tower, still a strong tower  
Come on! Still a strong tower

Not by power, not by might  
Come on!

But by the Spirit of the living, Spirit of the living God  
Oh, the Spirit of the living God  
Not my battle  
Not my battle, it's not my fight  
Oh, it's not my fight  
It's not my, not my fight  
I am gonna witness now  
By the Spirit of the living, Spirit of the living God

Come on! Say, "My fortress"  
My fortress, my refuge, still a strong tower, still a strong tower  
My refuge, He is, He is my helper  
My helper, defender, still a strong tower, still a strong tower  
My defender, He is  
Come on!  
Oh-oh-oh-oh  
Sing!  
Someone let the people know anything is possible  
No weapon will prosper, still a strong tower, still a strong tower

My fortress  
My fortress, my refuge, still a strong tower, still a strong tower  
He is still a strong, yes, He is, yes, He is, my helper  
My helper, defender, still a strong tower, still a strong tower  
My defender  
Oh, oh  
Oh-oh-oh-oh  
Someone let the Devil know, tell him that he's gotta go  
Say, "Oh"  
Oh-oh-oh-oh  
Someone let the Devil know  
Someone let the Devil know, tell him that he's gotta go  
Say, "Oh"  
Oh-oh-oh-oh  
Someone let the Devil know  
Someone let the Devil know, tell him that he's gotta go  
No weapon will prosper, still a strong tower, still a strong tower

For the name of the Lord  
Yes, the name of the Lord  
Is still a strong tower, still a strong tower  
For the name of the Lord is  
Still a strong tower, still a strong tower  
I'll find my safety in Him, He is  
Still a strong tower, still a strong tower

I know where to go  
I know where to go  
I know where to hide  
I know where to hide, my hiding place  
He's still a strong tower  
Still a strong tower  
He's my hiding place  
He's still a strong tower  
Still a strong tower  
He's my hiding place  
He's still a strong tower, still a strong, He's my hiding  
Still a strong tower, still a strong, He's my hiding place  
I know where to go  
Still a strong tower, still a strong, He's my hiding place  
I know, He's my hiding place  
I know, I know where to go  
Still a strong tower, still a strong, He's my hiding place

He's my hiding, oh, I'm sad at 8 PM  
Still a strong tower, still a strong, He's my  
Oh, He's my, He's my

Hiding place  
Hiding place  
Hiding place  
Hiding place  
Hiding place  
He's my Hiding place  
Hiding place  
He, He's my hiding place  
Hiding place  
Oh, I know where to go  
Hiding place  
I know where to run  
Hiding place  
Hiding place

Still a strong tower, still a strong tower  
He's my hiding place  
Oh-yeah-yeah-yeah, oh-oh  
Oh-yeah-yeah-yeah-yeah-yeah  
Come on, say it one more time

It's not by  
It's not by power, not by might  
By the Spirit  
By the Spirit of the living, Spirit of the living God  
Spirit of the living  
Not my battle  
Not my battle, not my fight  
But by, by Your Spirit  
By the Spirit of the living, Spirit of the living God

You may have an incurable disease in the room  
Sounds like a God problem  
He can solve it  
You may have something you can't figure out in the room  
Sounds like a God problem, He can solve it

He's on it  
I've got a God problem, He can solve it  
He's on it  
One more time

My fortress, my refuge, still a strong  
My refuge, still a strong tower, still a strong tower  
My helper  
My helper, defender, still a strong tower, still a strong tower  
Oh, come on  
Oh-oh-oh-oh  
Someone let the people know  
Someone let the people know anything is possible  
And no weapon will prosper  
No weapon will prosper, still a strong tower, still a strong tower  
One more time

He is my fortress  
My fortress, my refuge, still a strong tower, still a strong tower  
My refuge, peace, my Lord  
My helper  
My helper, defender, still a strong tower, still a strong tower

Defender

Oh-oh-oh

Oh-oh-oh-oh

Someone let the Devil know

Someone let the Devil know, tell him that he's gotta go

Tell him that he's

My weapon will prosper, still a strong

No weapon will prosper, still a strong tower, still a strong tower

No weapon will prosper

It's not by power, not by might

Come on, it's your last time singing, come on, sing, but

By the Spirit of the living, Spirit of the living God

Not my battle

Not my battle, not my fight

It's not my fight

By the

By the Spirit of the living, Spirit of the living God
