

# Pull Me Close

Naomi Raine

Thank you, Lord  
You always pull me close

You saw me at my worst  
But knew what I could be  
And You stepped down to Earth  
To place a crown on me

How low You'll go  
To pull me close, to pull me close  
How far You'll go  
I'll never know, I'll never know  
How low You'll go  
To pull me close, to pull me close  
How far You'll go  
I'll never know, I'll never know

You saw my sin and shame  
And still ran to my side  
You reached into the grave  
And pulled me back to life

How low You'll go  
To pull me close, to pull me close  
How far You'll go  
I'll never know, I'll never know  
How low You'll go  
To pull me close, to pull me close  
How low You'll go  
I'll never know, I'll never know

Got me at my worst  
You saw me at my worst  
And You still loved me  
You still came for me  
Oh, there's no distance you won't go  
To get me

I know I'm not perfect  
I know I don't deserve it  
I know I couldn't earn it  
But You say I am worth it  
I've seen the beginning  
You have seen the ending  
And You know what You're doing  
You know where we're going

I know I'm not perfect  
I know I don't deserve it  
I know I couldn't earn it  
But You say I am worth it  
I've seen the beginning  
But You have seen the ending  
You've seen the ending  
You know what You are doing  
You know what You're doing  
You know where we are going

How low You'll go  
To pull me close, to pull me close  
How far You'll go  
I'll never know, never know  
How low You'll go  
To pull me close, to pull me close  
It's what You do  
How far You'll go  
How far You'll go  
I'll never know, I'll never know

How low You'll go  
To pull me close, to pull me close  
How far You'll go  
I'll never know, no, I'll never know  
I'll never know, never know  
How low You'll go  
Which way? Tell me  
To pull me close, to pull me close  
To pull me close  
Just look into me  
I'll never know

How low You'll go
