

Safe

Naomi Raine

When the darkness closes in on you
Don't be afraid, don't be afraid
Let My love light the way to guide you through
Keeping you safe, keeping you safe

I'll be there when you feel alone
Don't shrink back, you're not on your own
Don't you know, My love is always near?
You are safe here

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh

When the shadows put you in the cold
Don't be afraid, don't be afraid
Let My words carry you, bring you home
Keeping you safe, keeping you safe

I'll be there when you feel alone
Don't shrink back, no, you're not on your own
Don't you know, My love is always near?
You are safe here

Oh, oh (Ooh-oooh)
Oh, oh (Ooh-oooh)
Oh, oh (Ooh-oooh)
Ooh

I'll be there when the wind is howling
Be with you when the tide is low
I'll be here when the waves are crashing
On your soul, oh
I'll be here when your heart is broken
Stand with you when your faith is low
Search you out in your deepest valleys
Guide you home

When those voices start to tell their lies
Don't be afraid, don't be afraid

I'll be there when it's all too much
Don't shrink back, no, you're not out of touch
Don't you know, My love is always near?
You are safe here

Oh, oh (I'll always find you)
I'll always find you, I'll find you
(I'll always have you)
I'll always be your home (I'll always be your home)
I'll always find you (I'll always find you)
Always protect you (Always protect you)
I'll always be your home (I'll always be your home)
(I'll always find you) I'll always find you, ooh
(I'll always have you)
I'll always be your home (I'll always be your home)

You don't have to worry (I'll always find you)
I'll always protect you (Always protect you)
And I'll always be, I'll always be your home
