

# Won One

Won one, lost two  
Lost us, found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough  
Won one, lost two  
Lost us, found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough

Touchdown, game over, try again  
Play some, might take an L, still a win  
Suit it up, played my heart out, did my best  
Kept showin' up (Now, that's the real test)  
Gotta be in it to win it  
Entered and still lost, it ended  
March out the madness, I'm finished  
I'm finished, I'm finished  
Paid attention, lost interest (Dividends)  
Earn my respect, gained confidence

Won one, lost two  
Lost us, found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough (Somehow, it's still enough)  
I won one, lost two (Lost two)  
Lost us, found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough (Still enough)

Ex-me, ex-you, can't find a "why?"  
Nothing from nothing, say goodbye  
One plus one doesn't always make two  
Put two and two together, Catch-22  
Multiply and subtract it, negatively impacted  
Added more, but I halved it (Added more, but I halved it)  
What's the difference when a friendship ain't a friendship?  
Not reciprocal, it's so typical

Won one (One), lost two  
Lost us, (Found You) found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough  
Won one and then I lost two  
Thought I lost us, but I found You  
Some things, some things just don't add up  
Somehow, somehow, it's still enough (Still enough)

I had my chips all in, put it all on black  
Thought I hit the jackpot  
Had to cash out 'fore I got off track  
Better with a poker face, that we would always say  
Had to learn the hard way, sometimes you gotta walk away, oh, woah  
Oh, woah, sometimes you gotta walk away  
Sometimes you gotta walk away  
Walk away

Won one, lost two  
Lost them, found You  
Won one, lost two  
Some things, some things just don't add up  
Lost two  
Some things, some things just don't add up
