

Worthy Of My Song

Naomi Raine

I'm gonna sing
Till my heart starts changing
Oh, I'm gonna worship
Till I mean every word
'Cause the way I feel
And the fear I'm facing
Doesn't change who You are
Or what You deserve

(Come on)

I give You my worship
You still deserve it
You're worthy, You're worthy
You're worthy of my song
I'll pour out Your praises
In blessing and breaking
You're worthy, You're worthy
You're worthy of my song

You are, You are
Yes, You are, yes, You are, Jesus
You are, You are
Forever You're worthy
You are worthy, oh

I'm gonna live
Like my King is risen
Gonna preach to my soul
That You've already won
And even though I can't see it
I'm gonna keep believing
That every promise You make
Is as good as done

(Come on, sing it, yeah)

I give You my worship (Yeah)
You still deserve it (Yeah)
You're worthy, You're worthy
You're worthy of my song
I'll pour out Your praises
In blessing and breaking
You're worthy, You're worthy
Jesus, You're worthy of my song

You're worthy, You're worthy (I'll sing forever)
Jesus, You're worthy of my song
You're worthy, You're worthy
Jesus, You're worthy of my song
You're worthy, You're worthy (Hey)
Jesus, You're worthy of my song
You're worthy, oh, You're worthy (Worthy, yeah, ooh, oh)

When I sat by that hospital bed, You were worthy
And she could barely lift her head, You were worthy
After all those tears we shed, You were worthy

I'll never stop singing Your praise
No, I'll never stop singing Your praise (Yeah)

And in the blessing, in the pain, You are worthy
Whether You say "yes" or "no" or "wait", You are worthy
And through it all, I choose to say, "You are worthy"
I'll never stop singing Your praise
I'll never stop singing Your praise

And when I finally see Your face, I'll cry "Worthy"
And when You wipe those tears away, I'll cry "Worthy"
And above every other name, You are worthy
I'll never stop singing Your praise
I'll never stop singing Your praise
I'll never stop singing Your praise
I'll never stop singing Your praise (I'll never)

I give You my worship
'Cause You still deserve it
You're worthy, You're worthy
Jesus, You're worthy of my song
I'll pour out Your praises
In blessing and breaking
You're worthy, You're worthy
You're worthy of my song

I give You my worship
'Cause You still deserve it
You're worthy, You're worthy
You're worthy of my song
I'll pour out Your praises
In blessing and breaking
You're worthy, You're worthy
You're worthy of my song

Still worthy of my song
You're always worthy of my song
Forever worthy of my song

Yeah, this is my story, this is my song
Praising my Savior
Praising my Savior all the day long

In the valley, I'll sing Your praise
On a mountain, I'll sing Your praise
In sickness, I'll sing Your praise
In health, I'll sing Your praise

When I'm broke, I'll sing Your praise
When I'm whole, I'll sing Your praise
I'll never stop singing Your praise (I'll sing Your praise)
I'll sing Your praise (I'll sing Your praise)

I've made up my mind (I'll sing Your praise)
I will bless the Lord at all times (I'll sing Your praise)
I will bless the Lord at all times (And I'll sing Your praise)
I will bless the Lord at all times (And I'll sing Your praise)
I'll sing Your praise (I'll sing Your praise)

Yeah (I'll sing Your praise)
Come what may, come what may (I'll sing Your praise)
I'll sing Your praise (I'll sing Your praise)
You're worthy, worthy, worthy of it all

I've made up in my mind
I've made up in my mind
Come what may, come what may
You can throw anything at me
I'll never stop singing
I'll never stop praising
Though He afflicts me, yet will I trust
Yet will I praise
You're worthy of it all

You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory (You deserve it. Come on, New York)

You are worthy of it all (I've never seen Him fail)
You are worthy of it all (Blessed be the name of the Lord)
For from You are all things (And to You)
And to You are all things (You deserve)
You deserve the glory

One more time, New York. "You're worthy"
You're worthy of it all
You're worthy of it all (Glory and honor, dominion and power)
For from You are all things (To)
And to You are all things (Yes, You deserve the glory)
You deserve the glory
Hey! Hey! Hey!
