

Definition Of Love

Naomi Sharon

Mm-hmm

Caught in your gaze
Your mind is amazing
There's too much to say
My heart is ablaze

All I see
All I know
Is that you are the definition of love
I won't rest
'Til you know for sure
That you are the definition of love

(Ah-ah)
(Ah-ooh)
(Ah-ooh)
(Ah-ooh)

You give me faith
That love can be instant, mm
Break down these walls
Remove all the distance

All I see
All I know
Is that you are the definition of love
I won't rest
'Til you know for sure
That you are the definition of love

Heaven's in your eyes, let me follow
Heaven's in your eyes, let me follow
Heaven's in your eyes, let me follow
Heaven's in your eyes, let me follow

Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
Won't rest 'til I know for sure, won't rest 'til I know
(Won't rest 'til I know for sure, won't rest 'til I know)
(Won't rest 'til I know for sure, won't rest 'til I know)
(Won't rest 'til I know for sure, won't rest 'til I know)
