

# Extacy

Naomi Sharon

Mm-hmm

Mm-hmm

Living in this ecstasy  
Wondering where we could be  
Transcending all the thoughts, I don't need it  
Covering my energy

Parts of me are moving on  
Man like you are craving grief  
While I live in your fantasy, yeah  
I was willing to do everything  
For us

It's so easy to go  
So easy, so easy  
It's so hard to come home  
It ain't easy, ain't easy  
So easy to go  
So easy, so easy  
It's so hard to come home  
It ain't easy, ain't easy

Tears are for my enemies  
I hear them but they can't speak  
My water flows through different creeks, yeah (Mm, yeah)  
Cast away your hold on me

Now you are my melody  
Men like you tryna live for free (Ah-ah-ah)  
But everything must cost something, yeah (Mm, yeah)  
I'm losing all my empathy  
For us

It's so easy to go  
So easy, so easy  
It's so hard to come home  
It ain't easy, ain't easy  
It's so easy to go  
So easy, so easy  
It's so hard to come home  
It ain't easy, ain't easy  
Easy to go  
So easy, so easy  
It's so hard to come home

Come home  
Come home
