

Push

Naomi Sharon

Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na

A woman's intuition is heavy like the snow
Come and watch my grass grow
Watch me lose control
When you touch my body, I feel it in my soul
Come give me this fever
I wanna feel it in my bones, hmm

Push it, push it, push it, push it, push it, push it, push it,
push it
Watch me push it, push it, push it, push it, push it
Watch me push it, push it, push it, push it

I wanna see you today, tomorrow
I wanna see you, baby
I wanna know what is your potential
I'm in love with you
I don't wanna hear something fucked something up
So I'm coming to you
I just wanna come and mess up your makeup
Know my attitude

Push it, push it, push it, push it, push it, push it, push it,
push it
Watch me push it, push it, push it, push it, push it
Watch me push it, push it, push it, push it

I wanna see you today, tomorrow
I wanna know what is your potential
I don't wanna hear something fucked something up
I just wanna come and mess up your makeup

Push it, push it, push it, push it, push it, push it, push it,
push it
Watch me push it, push it, yeah, push it, push it
Watch me push it, push it, push it, push it, push it, yeah
