

## Standardization

## Napalm Death

Apocalypse now - await the great awakening  
Apocalypse now  
The bland leading the bland

Or so to realise, casting off societies hand  
Dead cards for credibility have sapped complexities of self

Uniform, uniformed  
Uniformed uniformity  
Begging to the contrary  
Is a dying urge, a dying urge

Apocalypse now - await the great awakening  
Head one way, one dimesion  
Or celebrate some unchecked pretension  
Lift the inhibitions off complexities of self

Uniform, uniformed  
Uniformed uniformity  
Begging to the contrary  
Is a dying urge, a dying urge

Standardization  
Sights, odours, sound  
Standardization  
The bland leading the bland  
Leading the bland, leading the bland

Standardization  
One-way, one dimesion  
Standardization  
The bland leading the bland  
Leading the bland, leading the bland, leading the bland

Leading the bland  
Uniform, uniformed  
Uniformed uniformity  
Uniform, uniformity  
Uniform, uniform  
Uniformity, uniform, uniformity
