Use your head silly...

Y'all ain't never heard of B. Stille, the look that seals  
Screwed up coupe DeVille, peep the vertical grill  
Well Killa Cowboy pull the dirty cowbell  
Hell anyway ya do the certified playa  
The thickest, the thicker, the better, the pick of the litter  
The sicker the chicken, the bigger the dick I deliver  
The kidney, the liver, the shiver, the give in her BACK  
Make the bigger the nigger deliver the miggity-MACK!

Got 'em stuffin up my tennant biz

Drunk as a mug, drunk out his mind  
Too damn drunk to drive, jump out the ride  
Lookin for a chicken to pluck, with plumped up thighs  
Gotta be thicker than Granny's gravy on the side  
So when I get it, I can cut her, big ol' chunky slice  
And if I love it, I'ma lick it like it's pumpkin pie
