

Put your head against my life  
What do you hear  
A million words just trying to make  
Love song of the year

Close your eyes but don't forget  
What you have heard  
A man just trying to say three words  
Words that make you scared

A million love songs later  
And here I am trying to tell you that I care  
A million love songs later and here I am  
A million love songs later and here I am

Looking to the future now  
This is what I see  
A million chances pass me by  
A million chances to hold you

Take me back, take me back  
To where I wanna be  
Hide away from all my truth  
Through the light I see

A million love songs later  
And here I am trying to tell you that I care  
A million love songs later and here I am  
A million love songs later and here I am  
Oh yeah, oh girl, and here I am  
A million love songs later and here I am
