

# Bad Boy

Nardo Wick

I don't know what you been told  
But Nardo Wick is a bad bad boy

I'm a bad bad boy  
I got loud toys  
I swerve on they block and I let them make noise  
I don't got no sense they be hurtin my feelings  
They always blame me when a block get bent  
I'm a bad bad boy  
I got loud toys  
I swerve on they block and I let them make noise  
I don't got no sense they be hurtin my feelings  
They always blame me when a block get bent

I'm a bad ass kid you can call me Dennis  
Nardo youa b- don't finish that sentence  
Caught the opps, fishbowl  
Bullets went to ripping  
Don't blame me, blame him it should've been tinted  
Lean with it, rock with it, see who got that drop get it  
Lean with it, rock with it, aiming at his top, hit it  
Lean with it, rock with it, tell the morgue gon' dig it  
Lean with it, rock with it, niggas know that I'm wicked  
Nigga come in here trippin it's the last place he breathe at  
Wipe a nigga nose this the last place he sneeze at  
Said its time to slide, I'm like where the fuck the keys at  
I'm the one that made him fall, I'm like Tony did you see that

I'm a bad bad boy  
I got loud toys  
I swerve on they block and I let them make noise  
I don't got no sense they be hurtin my feelings  
They always blame me when a block get bent  
I'm a bad bad boy  
I got loud toys  
I swerve on they block and I let them make noise  
I don't got no sense they be hurtin my feelings  
They always blame me when a block get bent

I'm a bad boy Mike Lowry, bewarey  
Mask on, Jim Carrey, I'm scary  
12 coming, please hurry, please hurry  
This a SRT bro we don't gotta worry  
This a Hellcat we scraight  
Done ran the blue lights mean vroom vroom race  
12 get behind escape, escape  
Four words for ya "Don't hit that brake"  
Four words for ya "nigga I'm that nigga"  
Three words for ya "Do not play"  
Two words for ya "I am"  
One word for ya "Wicked"

Always blame me when a block get bent  
Always blame me when a block get bent  
Always blame me when a block get bent  
Always blame me when a block get bent
