

# Chop Chop

Nardo Wick

I'm wicked

I'm wicked, that just means that shit just explains me, how my mind work

Chop [x32]

Chop stick make a nigga chop chop chop  
I can't believe what I just heard the opps outside  
Come on bro let's hurry up and make the block hot  
Nardo y'all should let me slide blah blah blah

Uh-uh come on let's go right now  
It don't gotta be night time  
Imma pull up with that stick swinging like I lost my sight ah  
Those run arounds, they bite ah  
Get hit and see the light ah  
Get hit and it get bright ah  
Get hit you lose your life ah  
Get hit and then you dead die  
See red I got a red eye  
We laid him down round 9pm you would think he had a bedtime  
Switch on the (krt) that's fed time  
Look Wick ain't got damn mind  
Remember me and anyone on that uh-huh trippin'  
Nevermind  
Get low, tip toe, creep, what all you need  
Ski mask, chopstick, how it go  
Hopped out, boom boom, sleep  
Come with me and imma teach you how to work that mo' fucking

Chop [x32]

Pull up shining all my jewelry on  
We don't got no heart but all us got chrome  
We like some fuckin pillows, everybody touch dome  
We like some laxative, we all get shit gone  
All us was wearing masks before that coughin shit  
Been staying away from niggas before that covid hit  
I've done come out and blame that corona shit  
But when I catch em I got a shot for em I ain't talking bout no vaccine bitch

Chop [x32]

Chop stick make a nigga chop chop chop  
I can't believe what I just heard the opps outside  
Come on bro let's hurry up and make the block hot  
Nardo y'all should let me slide blah blah blah

Chop [x32]
