

Blue Bentley

Nas

It's all because of you, I'm feeling sad and blue
I won't deny it

Two girls, same in the city, both wanna stay with me
I bought the plane ticket, say my life ain't litty
Say my life ain't litty
Two-story high ceilings, two-door, blue Bentley (Two)

Zero bonds, so, the women gon' be deep tonight
I proudly spend a hundred fifty Gs, it's light
She ain't walkin' on water like Jesus Christ
Shit I do to gators, Nikes, or Adidas stripes
It's been a good day, but tonight, we goin' back
Whole squad causing terror shoutout Joey Crack
It's a different lifestyle, how long can you last?
She wanna come with me, it depend on how she act
I'm different, we don't bank at the same bank
Shawty know she good when she with me, it's a safe place
For real, I can only send a lo' if you won't tell
I can alley-oop your whole career, 'cause I'm known well
When she land, she let the whole city know
Then hit the room and send me a twerk video
She be all on the gritty flow, met her headed to Coachella in Indigo
Other one had a BMP, she fifty, though
In my business, they wanna stick they nose
Think I'm wylin' like Deuce Bigalow: Male Gigolo
I'm a gentleman, open the car door, holdin' hands
They both hit my line, I might crush 'em like soda cans

Two girls, same in the city, both wanna stay with me
I bought the plane ticket, say my life ain't litty
Say my life ain't litty
Two-story high ceilings, two-door, blue Bentley (Two)

She ready, she sendin' naked through the text
Is your ex territorial? 'Cause, yo, I'll call her next
Put her down in LES
Two-tone Maybach, it's a 580 S
Two girls, same city, both wanna stay with me
I bought them plane tickets, say my life ain't litty
Don't say it was all of my fault just 'cause your girl left you
She be comparin' us both, she know I'm more special
And, she tryna show me the text thread
Said "you lookin' desperate", I made the exit
My favorite found a shirt from my new one inside the bedspread
Asked me who it was, I said, "It was a girl I just met"
I can't be your lover
I leave their head fucked up like none other
Coi Leray says, "Girls is players too"
That's why I do 'em how I do 'em, then I'm makin' 'em move
I guess, soon, I'll be jumpin' the broom
Until then, keep 'em comin' in twos
I be right here when the datin' climate improves
These days, some girls be slimey as you (Two)

Two girls, same in the city, both wanna stay with me
I bought the plane ticket, say my life ain't litty

Say my life ain't litty
Two-story high ceilings, two-door, blue Bentley (Two)
