

Superhero Status

Nas

It's a shame, the way it's goin' down
I'm on the sideline while he's playing around

The difference between you and I spittin's a wide difference
They hate on you, but me, they want me to die different
No ego, I'm just providing
A better understanding, I don't wish it on nobody
It's a shit
Who doesn't have the bandwidth
It's a shame, the -
It come with standin' your ground
When you from a poor town, that generate awareness
The ventilation shifts where the air is erased when you hear it
It's a shit
Somewhere between great and endearing, you smell it and taste it, 'cause it'
s serious
It's a shame, the -
And you don't think it's fair, you feel like you come with bars, and you won
some wars
Frankly, they should send they regards, some of the hardest rappers get over
looked and ignored
It's a shit
No matter what happen, I hope all of us soar, I go
It's a shame, the -

Superhero status, no masks, no gadgets
It's a shame, the way it's goin' down
Send them villains at us, we ain't scared of action
I'm on the sideline while he's playing around
We ain't characters cappin'
Ability to leap buildings, if you blink, you won't catch it
(Audio) Dope, (Audio) dope, (Audio) dope, (Audio) dope
It's a shit
It's a shame, the -

Always on time, I'm never petty, yeah, I'm always ready
That's why my shit flows smooth and steady, pictures on Getty
I don't complain, I don't blame, know when my time is done, I move to the si
de
I don't want nothing to prove to these guys, if y'all was moving like Nas
Y'all wouldn't assume someone owe you, nobody know you when you old 'cept yo
ur peoples
That should keep you peaceful, instead, delusional mood illusions refusin' t
o see truth
It's a shit, it's a shame, the -
Your personal hurt, you unleash on the first
Person you come across doing your evil work
Damn
It's a shit
It's a shame
It's a shame, the -
Slugs, blood, laugh, hugs, survive if you could
It's a shame, the way it's goin' down
Downsize, intro the thugs to the plug, and just today, I noticed a different
pain
I'm on the sideline while he's playing around
Man, catch me, don't let me slip in no demented stage

Repetitive Beat Street watcher, a gatekeeper, conqueror, late-
night creep sponsor
Need a frequent flyer, beyond, think I'm a sheikh, she don't need to fly to
Dubai for it
It's a shit
Fleet of cars, she under my arm, and she honored with' it
It's a shame, the -
Cognizant correspondence, I don't respond to nonsense
Adidas shells, I keep a reefer smell on me, ringin' the Wall Street bell at
9:30 a.m. is my coffee
It's a shit
My gang is New York Stock Exchange
Here's my costume change

Superhero status, no masks, no gadgets
Send them villains at us, we ain't scared of action
We ain't characters cappin'
It's a shit
Ability to leap buildings, if you blink, you won't catch it
It's a shame, the -
