

# Baby It's Cold Outside

Nashville Cast

I really can't stay - Baby it's cold outside  
No I've got to go away - Baby it's cold outside  
Well this evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice

My mother will start to worry - Beautiful, what's your hurry?  
And my father will be pacing the floor - Listen to the fireplace roar  
So really I'd better scurry - Beautiful, please don't hurry  
Well maybe just a half a drink more - Put some records on while  
I pour

The neighbors might think - Baby, it's bad out there  
Hey, what's in this drink? - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks swell

I ought to say no, no, no - Mind if I move in closer?  
At least I'm gonna say that I tried - What's the sense in hurting my pride?  
I really can't stay - Baby don't hold out  
Ah, but it's cold outside

I simply must go - But, baby, it's cold outside  
The answer is "No" - But, baby, it's cold outside  
This welcome has been - How lucky that you dropped in  
So nice and warm - Look out the window at that storm  
My sister will be suspicious - Gosh your lips look delicious  
My brother will be there at the door - Waves upon a tropical shore  
My maiden aunt's mind is vicious - Ooh your lips are delicious  
Well maybe just a cigarette more - Never such a blizzard before

I've got to get home - Oh, baby, you'll freeze out there  
Hey, lend me your coat - It's up to your knees out there  
Oh, you've really been grand - Thrill when you touch my hair  
Why don't you see - How can you do this thing to me?

There's bound to be talk tomorrow - Think of my life long sorrow  
At least there will be plenty implied - If you caught pneumonia and died  
I really can't stay - Get over that hold out  
Oh, baby, it's cold outside

Goodbye
