My Heart Don't Know When To Stop

Nashville Cast

Goin'
I can see you goin'
I'm hoping it won't be for long
You keep fading like the setting sun
I'll chase your light into the dawn
Goin'
Goin'
Gone.

My heart keeps on breaking
but I won't, I won't give up
Oh my keep me waitin'
But my heart
My heart don't know when to stop
Don't know when to stop

Over
I don't believe in over
Coz' over
Just don't work for me
A love worth loving
It's so hard to find
And so I'm holdin on to mine
I won't leave it
Leave it behind

My heart keeps on breakin'
But I won't
I won't give up
Oh my keep me waitin'
But my heart don't know
My heart don't know when to stop
Don't know when to stop

My heart don't know
My heart don't know
My heart don't know
And my heart keeps on breakin
But I won't
I won't give up
And oh my keep me waitin
But my heart don't know
My heart don't know
And my heart keeps on breakin'
But I won't
I won't give up
Oh my keep me waiting
But my heart don't know
My heart don't know when to stop
Don't know when to stop
It don't know when to stop
Don't know when to stop
