

Drive

Nashville Pussy

So long suckers, well here we go again
I got two lanes a'calling, blacktop my only friend
So give me one good reason this shouldn't end?
Too late

Drive!
Drive!

Goodbye, baby, you got me on the run
You ask me if I'm sorry for all the bad things I've done
I said, "Look a'here man, we got two different ideas of fun"
I doubt it

Drive!
Drive!

Watch it, baby!

Drive!
Drive!

So long, baby, I'll be gone
....at one time
Never ever ever ever gonna die

So long, motherf*ckers
