

## Raisin' Hell Again

Nashville Pussy

Was an average kid...  
Grew up on Steepleside ringing all the bells  
Rolling out the gutter and slid through the door  
Come up on a preacher with a dirty loaded whore  
Hell yeah! You know I never win  
It's a sin, Lord, I'm raisin' hell again  
Well I went up on a mountain to see what I could see  
Whole school of chickens looking at me  
Climbed down the mountain, pulled into town  
....to give them when you burn it to the ground  
Hell yeah! You know I never win  
It's a sin, Lord, I'm raisin' hell again  
...  
Want a thousand reasons....  
....  
....gotta even up the score  
Hell yeah! You know I never win  
It's a sin, Lord, I'm raisin' hell again  
1,2,3,4  
Hell yeah! You know I never win  
It's a sin, Lord, I'm raisin' hell again
